LEARN TO SKATE

at Peconic Ice Rinks Calverton, NY

Fall 2

At Peconic Ice Rinks, we have a class for **EVERY** skater! Our highly qualified and certified instructors, small class sizes, and fun-filled Learn to Skate program helps every skater progress at his or her own pace.

Peconic Ice Rinks uses the ISI Learn to Skate Program Curriculum. ISI (Ice Skating Industry) is a pioneer in skating development. Children begin in a Tots or Pre Alpha class and gradually progress though our secondary and advanced levels to further their skating development.

We also have classes for adults of all levels, from beginner skaters who have never been on ice before to those who are more advanced!

Learn to Skate classes include unlimited practice time on Public Sessions for FREE during the class semester. Please check in at the Front Desk.
