The Peconic Ice Rinks Summer Hockey Camp is focused on improving every hockey player's skills, no matter their ability or experience. We emphasize strong skating skills as the foundation to everything that comes next: shooting, stick handling, and passing. **We also focus on the most important part of hockey—having fun!** Camp is in session from June 24-August 23. Choose from single weeks, multiple weeks, half day, or full day camps. We can accommodate every camper's needs, busy schedule, and budget! With every option, you will develop your skills, have fun, and create a memorable summer. Typical full day programs include a minimum of 2.5 hours of ice time per day and a structured daily routine, that includes off-ice training, along with multiple fun activities for each camper to enjoy. This balanced, multi-disciplined regimen results in over 35 hours of on and off ice training each week and a better, more well-rounded hockey player. Sign up today to reserve your spot for an unforgettable summer!
